

Write Questions to Match the Calculations

The numbers below are from Kareem's paystub. Each of these calculations can be used to answer different questions.

What questions do each of these calculations answer?

A.
$$\frac{(20 + 26 + 32 + 22 + 24 + 30)}{6}$$

B.
$$\frac{(325 + 430 + 535 + 360 + 395 + 500)}{6}$$

C.
$$\frac{(360 - 325)}{2}$$

D.
$$(535 + 360 + 395 + 500) \times 12$$

E.
$$\frac{360 - 325}{2} \times 20$$
